Q & A

WHAT DO YOU DO TO RELAX WHEN YOU'RE NOT WORKING?

I travel as often as I can. I also spend time with my family and friends.

WHAT WAS YOUR FIRST JOB?

In high school, I worked part-time at a Ford dealership. I started out as the cashier for the Service and Parts Department, but was gradually given more responsibility. I spent time working in the rental department and helping the accounting department with Accounts Receivables.

WHAT DO YOU LIKE MOST ABOUT WORKING AT HHM AND/OR WHY DID YOU CHOOSE HHM?

The best part about HHM is definitely the people. During the busy season when we are working long hours, it is very important to be surrounded by people you enjoy spending time with. During the slower season, we spend time together outside of the office doing things like golfing, boating, dinners, etc. I truly think that sets us apart from other firms.
